AD0-E702 Adobe Commerce Developer Professional
Notice of Exam Results

Candidate: shibin vr	Exam Date: 2021-Dec-19
Candidate ID: ADB00559383	Registration Number: 2146996
Candidate Score: 59	Required Pass Score: 41
Pass/Fail: PASS	

Congratulations! You have successfully completed the exam for AD0-E702 Adobe Commerce Developer Professional.

The Required Pass Score is the total number a candidate must answer correctly in order to successfully pass.

You can view your certification history and track your certifications on the Adobe Credential Manager.

As a reminder, you are bound by the Non-Disclosure Agreement you accepted when taking your exam, and you are expected to keep the contents of the examination confidential. Failure to adhere to those terms will forfeit your credential and prohibit you from participating in our certification program.

If you have any questions about the program, please contact Adobe Certification for assistance.

Thank you,

The Adobe Credential Team

Breakdown of Exam Results

The table below details your performance in each section of the exam.

This information is designed to provide general feedback concerning your examination performance. Adobe exams are designed such that pass/fail decisions are based on the total exam score. Section-level results are designed to provide information that highlights a candidate's strong and weaker areas.

Section Name	% Correct
Customizing Magento Business logic	100%
Customizing Magento UI	100%
Developing with adminhtml	100%
Magento Architecture & Customization Techniques	95%
Request Flow Processing	100%
Working with databases in Magento	100%

Disclaimer: Candidates should exercise caution when interpreting this information. Because some sections have more questions than others, the final score is not an average of each section.
